WE' RE CONSTRUCTION COMPANY

Welcome to Stonedge Construction & Consultancy, your trusted partner for building a stronger future across Assam. Established in 2017, we're a company fueled by a passion for exceptional construction.

Vision

We believe in maintaining the highest standard of professionalism, integrity, creativity, positive attitude delivery that meets and surpass expectations while offering prompt and lasting solutions that stand the test of time.

Mission

We strive to be Assam's leading engineering construction company, delivering efficient, affordable, and sustainable solutions that prioritize quality and value for every project.

About Company

Welcome To Stonedge Construction & Consulting. At Stonedge Construction & Consultancy, we're passionate about transforming visions into reality.

Established in 2017, we've grown into a trusted partner for clients throughout Assam, specializing in exceptional civil construction, electrical services, and renovations.

Stonedge takes care of everything. We don't shy away from complex projects – Our expertise extends to pre-construction services like soil testing and excavation, as well as top-notch electrical design and installation.

Why Stonedge ?

✔️ **Powerfull Product Strategy**

✔️ **Quality Control System**

✔️ **Award Winning Projects**
